

The Impostor: A Novel - Damon Galgut

Damon Galgut is one of South Africa's most exciting new literary voices. In *The Impostor*, his first novel since *The Good Doctor*, Galgut leads his readers into the developing heart of postapartheid South Africa, a landscape being reshaped by new waves of money and power. Adam Napier leaves Johannesburg looking for a fresh start. Jobless and directionless, but with a head full of literary ambitions, he moves into his brother's dilapidated house on the edge of a backwater town. One day he encounters Canning, a man who claims Adam saved his life in their school days, but whom Adam does not remember at all. But he plays along and, for a time, enjoys all that Canning has: a vast fortune and game preserve inherited from his father, and a beautiful, mysterious younger wife to whom Adam is compulsively, dangerously drawn. A spellbinding achievement from one of the defining members of a new generation of African writers, *The Impostor* evokes a glittering world in which the moneyed old guard, newly empowered black Africans, and shady foreign businessmen jockey for a piece of the new South African dream.
