How To Get 1 Million Visitors This Year So as long as your website converts visitors into sales, it makes a very big difference to get a lot of traffic to your websites. Traffic Jam In this audio course, Terry Telford interviews Mark Flavin. Over the past year, Mark has put together a system of generating traffic that gets him over one million visitors annually. Thats over 3,000 visitors a day. And all that traffic translates into a gross income of about \$10,000 a month. Creating a traffic jam at your website is every webmasters dream. Discover how to turn your traffic dreams into reality with one million targeted free visitors. Terry: Hi there. My name is Terry Telford from TerryTelfordAnd today, were very lucky to have Mark Flavin joining us. Now over the past year, Mark has put together a system of generating traffic that gets him over 1 million visitors annually. Thats over 3,000 visitors a day. And all that traffic translates into a gross income of about \$10,000 a month. Is that about right Mark? Mark: Yeah about \$10,000 yup! Terry: So as long as your website converts visitors into sales, it makes a very big difference to get a lot of traffic to your websites. So Mark, Im going to pick your brain and find out what youre doing to get that amount of traffic to your websites. I want you to show us exactly what youre doing and how we can follow in your

footsteps. By the end of the call, I'd like everyone to start developing a lot of traffic to whatever websites they want. So I think we'll start off by giving you a little introduction Mark. Buy to view all the content and get extras!
