Wordpess Adsense Niche Blog Fully Updated January 15, 2013 As many people hear about the possibility of making money online with Adsense, there are literally thousands of related searches made on this niche. You can instantly start a blog about making money with Adsense and help a lot of beginners while having the opportunity side income by placing Clickbank ads or any other Ad network that caters to this particular niche. Quick and Easy Installation. This blog comes with a premium plugin that will allow you to easily install the whole blog package in practically less than five minutes. No more trouble installing Wordpress, messing with SQL files, myPhPAdmin, and messing with codes. In short, simply upload the blog package's file to your webhost, follow the three step installation and you're done! Now Genesis Powered Site!. This blog runs with Genesis Framework - a state of the art Wordpress Theme Framework most trusted and most loved by website developers. One of the many advantages of this theme framework is that your blog will now be fully search engine optimized and will help your blog rank higher in the search engines. Easy Ad Management. This blog has a custom made admin panel that will allow you to quickly and easily copy and paste your own ad codes, affiliate links, and banner promotions. Simply add your Adsense code and affiliate ID's. No more wasting hours and hours trying to locate where to put your ad links. Pre-installed Plugins. This ready made blog comes pre-installed with 21+ important Wordpress plugins and also integrated with Adsense, Amazon, and Clickbank ad blocks.

Bonus. I've also added PLR Articles. You may use it to keep the blog updated. Use the included WP-Import plugin to upload all articles then schedule when each article will be published. Editable Footer Credit Link. The footer credit link to PreMadeNiches can now be easily changed into your own links using the built in theme settings. Links found in the sidebar are also removed. This Blog Comes With: Easy to Follow Installation Guide - Comes with fully illustrated HTML Guide and 5 PDF Manual. Custom Theme Control Panel - Custom made Theme Control Panel to let you quickly and easily replace and add your ad codes, affiliate links, and banner promotions. 40+ Pre-posted Articles - these "starter" articles are already posted as part of the complete blog. PLR Articles - Comes in .txt and .doc format. You have full PLR rights with this articles. You can sell, give away, and re-use any way you like. Its own logo - If you want to make the blog's logo unique for "branding" purposes, a PSD file is included for easy editing. Its own design - this blog uses eye catching graphics, perfect placement of ads and functional readable content to make sure that every blog is easy on the readers eyes. Video page - the latest and most relevant videos from YouTube that are related to the website niche have also been added to keep your visitors educated and entertained. SEO - This blog is search engine friendly. I enhanced the original settings to ensure the proper use of tags and permalink settings. Latest WordPress and Optimum Plugin Settings - This blog is installed with the latest version of WordPress (version 3.5) - the Internets premier blogging platform. We regularly update all niche blogs to prevent nasty bugs as well as broken themes and plugins. Important plugins such Akismet, All-In-One SEO, Contact Form, and many more are all pre-configured so you don't need to spend hours attacking your Worpress dashboard. WP-Import - Included in the blog is the WP-Import Plugin. You can use this plugin to upload in bulk tens or even hundreds of articles into your blog and schedule it. This blog is optimized to the Highest Level for: Adsense - the color blended 300 x 250 Adsense block has been strategically integrated into the sidebar as well as 336 x 300 blocks in the individual posts (you can also insert your Clickbank code here). This placement will ensure a maximum click-through rate and give you a great stream of passive income. Clickbank - Integrated Clickbank products. Just add your Clickbank ID from the Admin panel. I have also included an Adsense-like clickbank units in the sidebar. This gives the opportunity to have higher earnings. Amazon - Integrated Amazon Store on every post. Simply add your own Amazon ID from the admin panel. Private Label Rights License: Basically, you can do almost anything you want with the blog: You can change the header image (a Photoshop file comes with it for easy editing) You can change and edit the articles which

is strongly recommended You can put your Adsense, Clickbank, Amazon codes and any other affiliate links on locations wherever you want it and keep 100 of the profits. In fact, this is the purpose of this product - to help you have your own instant blog and make money! And yes, you should have your own webhost and domain for this kind of product. Only, please don't give away the blog for free and don't include it on free membership sites. In Summary: [YES] Can be used on your own personal domains. [YES] Can be edited completely and put your name on it. [YES] Can change and edit the articles (strongly recommended). [YES] Can be added to paid membership sites. [NO] Cannot be added to free membership sites. [NO] Cannot give away the blogs for free. Demo of Wordpess Adsense Niche Blog - biabranding.com/adsense/
