Stalker Torture 7 This is the continuing story of how one man was captured and has been used as a belly punching slave ever since. The Belly Punch slave was captured in 2005. He is still being used today. This was when Sybil decided to have Devon play with her belly punch slave. Both girls wear high heels, pantyhose, short black skirts and shirts. They use deep punches to the mid-section and knees in order to brutally punish their victim.
