Take five and check out how you can get help with Healthy Dating & Relationship Tips today! It's cagey, crafty, clever. Dear Friend, Let's face it. There's an old saying about a dog being man's best friend. So getting along with another human being is rated second, at best. Or is it? Let's look a little closer. For example, you meet someone either online or off. It seems like love at first sight. So you dive in headfirst and take the plunge by going out on several dates. And yet: - You knew from day one that this person smokes, but he or she will surely kick the habit for YOU, right? - You both disagree 180-degrees on important issues; politics, religion, state of the economy, etc. But love conquers all, right? - You apologized for being late on the first date, re-scheduling the second date, scheduling the reservation at the wrong time on the third date. but love is blind, right? The other person should have endless patience? Well, read on. We'll help you get answers to these questions and many more. In fact, right now, we're inviting you to take charge of your Dating & Relationship plans and strategy, and learn more now about how to interact both online and off, developing positive, healthy relationships.
