Alfadelic Blues. If you have eclectic taste, and simply like good music. This could be for you. Guitars, keyboards, drums, male and female vocals, harmonica, scratching. Produce it the ALF way, and you have Cajun Wolf. 14 MP3 Songs BLUES: English Style, EASY LISTENING: Mood Music Details: Press Release. Horizontal Productions are back again with a new album release, this time the third album from ALF entitled Cajun Wolf. Review. NME. Wolves howl in a cold landscape before sparse, alienated, urban sounds meld and morph into a compelling dream - an exploration of a fragmented, mysterious, modern musical world. Nick Chamberlain-Hunt's surreal blues suite defies definition and if you're hell-bent on categorising music, forget it. Chill keyboards, warm harmonica and guitars, hypnotic vocal, mesmerising loops and comforting scratching contribute to a layered sound that Phil Spector would not have guessed at. This is 21st Century without the Schizoid Man. A quasi-hallucinogenic drug that may give you flashbacks. Rob Mason. ALF Biography ALF members range from experienced to less experienced musicians, covering an age range of two decades, 20
