These songs have a heart-piercing message of their own, in a style that will soothe the soul. 10 MP3 Songs COUNTRY: Country Pop, GOSPEL: Country Gospel Details: I am married with 3 children. My music began after several trials led me to the Lord. These songs deliver a true heartfelt sense of comfort. Even though things go wrong in our lives, we will get through them with the help of our loving God. I have been through several trials in my personal life that almost destroyed me, and that is why I recorded these songs - for people to know there is someone who comforts and loves us. I share my struggles with people I meet to allow them to know that they are not alone.
