Very Traditional Almost Bluegrass, But With Country Music, Mostly Heartache Songs. 10 MP3 Songs
COUNTRY: Traditional Country, COUNTRY: Bluegrass Details: THIS IS THE ONLY COUNTRY CD
THAT I HAVE EVER RELEASED --I DID IT BACK IN 1986 When I WAS IN MY 20's --I AM 42 NOW
HERE IN 2004 AND I have DECIDED TO RELEASE IT ON CD BABY--- AND I DO ONLY GOSPEL
NOW--I HAVE A GOSPEL MOUNTAIN MUSIC PAGE --HEAR ON CD BABY ALSO --I HAVE NOTHING
AGAINST COUNTRY MUSIC --I JUST HAD A FEELING TO DO GOSPEL INSTEAD OF COUNTRY
THANK YOU --DANNY DUVALL--- The reason for this title on My CD -is because at the time I Recorded
-it was so rare to find NEW and YOUNG ARTIST that were sticking to the TRUE TRADITIONAL SOUND
-that my producer said it made me sound like a new style- THIS CD HAS A STRANGE DRAGGING
SOUND WHEN YOU LISTEN TO IT ON THE LOW-FI--IT IS SET UP FOR HI-FI--JUST GIVE THE HI-FI
--ENOUGH TIME AND IT WILL BUFFER THRU --or it will play all the way thru on lo-fi -just that it will
have that strange sound on lo-fi. This was my first time recording -just released it to show where we come
from and where we go- I have several other cd's on cd baby-they should be showing up any time -at least
5 or 6 more should be showing by now. If you listened to traditional Country 20 yrs. ago --chance's are
you heard this CD for about 2-month's-I dropped out of the Country Music after 2-month's and had my
Country Music removed from the net-work system-because I started doing Gospel Music and didn't see
any reason to leave my Country Music in the system -If I wasn't going to be on tour and promote it-It was
Country Music Star's that Gave me a start and helped me get in the Country Music biz--and I still like
Country Music -I was just following a strong feeling to do Gospel -I am considering doing a Country Folk
and Ballad CD with just me and my Guitar-it will be a while yet before I do -If I decide to -IT will be
sometime In 2005 - it depend's how much time I have -because now I have several project's in process

with my Gospel- It's the legal and ground work that take's so much time. I Sure do -Thank You Danny
Duvall
