

Mp3 David Holland - The Puzzle

[DOWNLOAD HERE](#)

This hot country album of ballads and country rock will be a must buy for the country music lovers everywhere. 9 MP3 Songs COUNTRY: Country Rock, COUNTRY: Traditional Country Details: Holland says Johnny Cash got him into music at the tender age of three when he first saw him on TV. He played gigs while still in high school and toured the US and Canada. He has opened for stars such as Alan Jackson, Sammy Kershaw, Steve Wariner, Collin Raye, and the Bellamy Brothers. David offers a terrific blend of new country and old country ballads and country rock. The album contains nine songs written and produced by Holland and Center Creek Records. Working in the studio with country star Tommy Overstreet, Tommy described him as, " easy to work with, and is extremely talented. He is a fine musician and a very gifted songwriter."
