

## Mp3 Dom - Along The Way

[DOWNLOAD HERE](#)

folk ingredients with a rock edge. songs for the little bit of vagabond in all of us. 13 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: A guy who once lived in four states during a span of two years, Dom somehow landed in southern New Jersey, where they can't seem to get rid of him. Not surprisingly, his shows are filled with songs that speak to the little bit of vagabond in all of us ... ... moving on looking around ... why it's good to get lost why it's good to find ... what we leave what won't leave us The full-length CD Along the Way captures those same themes in an album format. Released on June 25, 2006, the 12-song record helped Dom get selected to two major music festivals, appear in the Philadelphia Inquirer newspaper, and win the 2007 "Hometown Heroes" award from WSTW radio for Best Male Singer/Songwriter in the quad-state broadcast area ... all in the album's infancy! The recordings also stay true to the simple, acoustic arrangements of the live shows. But don't be fooled by the "look" of a typical singer/songwriter. Dom's music may have the basic ingredients of Folk, but you'll hear plenty of Rock rhythms and chord flourishes more suited to a drum kit than a guitar. And if you notice the underpinnings of a Blues riff in a song or two, that's no accident. So whether you're listening live in a friendly venue or from the speakers of your favorite stereo, get into the music and get to know Dom!
