

## Mp3 Green - Eau De Vie

[DOWNLOAD HERE](#)

Indie pop rock from Chicago with a Beatles backbeat. 11 MP3 Songs POP: Folkly Pop, POP: Power Pop  
Details: The CD, titled Eau de Vie, features 11 tracks of all original material from Green. The 6th release from Green, this collection of songs continues the layered songwriting tradition of earlier releases and builds on the legacy burned by the band, placing it back on top of the Chicago underground scene. The album was recorded in France with Iain Burgess (of Big Black, Naked Raygun, Mega City Four fame) at his Black Box studio. The eau de vie CD is the third release for the Chicago based upstart Jettison Music label.
