

Mp3 Greg Starr - Landscapes

[DOWNLOAD HERE](#)

An electronic soundscape, transporting you to the deep reaches of your soul. 8 MP3 Songs NEW AGE: New Age, NEW AGE: Ambient Details: Landscapes: An electronic soundscape, taking you to the deep inner places of your soul. Highly personal, the perfect music for a late evening, to reflect on the day. Eight tracks take you on a journey, to deep places, highly personal spaces where you can unwind and relax - vistas in which you can let your mind wander and dream. Greg Starr has had a long successful career in music production. After years of writing music for other clients, he decided to write something for himself. Landscapes is the result.
