We describe our sound as haberdash rap music a mixture of pop, Hip Hop, electronica and rock all mashed in together. Rap verses and catchy choruses. 17 MP3 Songs HIP-HOP/RAP: Hip Hop, POP: with Electronic Production Details: JCK is an urban/rap artist from central Auckland. Recognised for his potential in 2004 he was signed to respected Indie label Pagan/Antenna records. JCK started out entering music competitions with local urban radio stations, which gave him a sizable amount of radio airplay and the first taste of recognition. Soon after he was successful in receiving funding from New Zealand on Air and recorded his debut single Freak in the club with an accompanying music video that took the nation by storm and played on all of New Zealands music television shows for a good part of a year. The music is gritty, aggressive and masterful with conscious lyrics and a strong steady flow that demands attention
