"An intangible mix of laid back South American posture and forthright European bravado." 5 MP3 Songs in this album (16:39) ! Related styles: FOLK: Folk Pop, POP: Folk Pop People who are interested in Damien Rice Ben Harper Glen Hansard should consider this download. Details: Joal Kamps is uninhibited. A quality that bodes well in public. His guitar almost an extra appendage, he will engage any and every willing listener with his newest song. His skill along with his performance time increases exponentially. You hear all the nuances of his world experiences in the lyrics and the melodies. Still, he keeps it simple, seeking to reach a vast audience from the intimidating biker in a Vancouver cafe to teenagers huddled in front of a festival stage. His latest release 'the RED ep' is due out this Spring. His plans for its launch are already underway including a return to Holland in the month of May before returning for summer festivals. The songs are warm and hopeful. Not at all a bad thing in the year we're living in. Leave it to the artists to keep inspiring. Joal Kamps fully complies. 'The RED ep', was recorded in the peaceful prairies of Three Hills, Alberta. The Muzik Haus studio served as the perfect stage to present and track all of his latest musical ideas. Producer Mark Troyer and Kamps have teamed up to release one of his most exciting releases to date; the RED ep contains brand new material from the 30+ new songs Kamps has compiled since the release of 'Waiting' in 2007.
