Humor collides with amazing country melodies. The CD, "Family Portrait" explores family life with wit and warmth. The arrangements run the country spectrum from "Newgrass" to "Americana". The clever lyrics are sure to make you smile. 11 MP3 Songs COUNTRY: Modern Country, COUNTRY: Bluegrass Details: "Again! Again!" The words strike fear in my heart. I can't stand another wiggly-note. I pull the CD and switch on the radio. "Aw Mom...we don't want your music!" comes a chorus of groans from the back seat. Then I remember the CD I bought last week. The first notes of "Saturday Morning Bed" are greeted with cheers of approval. Finally, some music we can all agree on. If this scenario sounds familiar, you'll want to order your copy of "Family Portrait" today!
