LOVE ALIEN's 'Blue Planet Preview', released by indie label Endorphin Records in 1999, was recorded live at CBGB's. JERSEY BEAT /Feb 1999 LOVE ALIEN - Blue Planet Preview (endorphin records, 003) Grunged-up, highly ominous and uniquely psychedelized Gothic-style sonic rumbling. Jill Margolis' haunting, purring moan and Thomas Simon's husky growl trade off on the vocals, complementing each other beautifully. Simon's searing, fiercely lingering guitar riffs, Lior Shulman's gutty drums, and Francois Gehin's dense, bottom-heavy bass lines vividly create a calmly flowing, throbbing, very brooding and sinister aural witch's brew that's every bit as creepy and compelling as it ought to be. - Joe Wawyrzniak Jill M. Simon - vocals Thomas Simon - guitar, keys, vocals Francois Gehin - bass Lior Shulman - drums Look out for Thomas' Jill's new performance act: 'Thomas Simon's Musicien Sans Frontieres'. more info: endorphinrecords.com
