

# Mp3 Rob Brereton - Someone To Watch Over Me

[DOWNLOAD HERE](#)

Instrumental music featuring Appalachian dulcimer in a wide variety of styles from Renaissance to Jazz by one of the major influences of the contemporary dulcimer movement 13 MP3 Songs FOLK: Modern Folk, JAZZ: Swing/Big Band Details: Rob is considered one of the pioneers in contemporary dulcimer playing. With his extensive background in music theory, arranging and classical guitar, Rob has helped stretch the repertoire of the dulcimer beyond what many thought possible. His playing has been called, "strong, masterful and innovative." Rob's recording, "Someone to Watch Over Me" demonstrates that the dulcimer can be used in any ensemble setting and for any style of music from Renaissance to pop. Oh yeah, and he yodels and has a dog named Rover.
