

Mp3 Rosie Brown - Clocks And Clouds

[DOWNLOAD HERE](#)

The second album by acclaimed London-based singer-songwriter Rosie Brown (NOT TO BE CONFUSED WITH JAZZ SINGER ROSIE BROWN). Beautiful songs with a deeply textured, jazzy, acoustic sound and filmic arrangements. "Elemental, sensual" Q 10 MP3 Songs POP: Delicate, JAZZ: Jazz Vocals Details: 10 beautifully recorded and arranged songs on this follow-up to the critically acclaimed debut album By The Blue... Rosie's wonderful vocals ("a truly amazing voice that resonates Billie Holiday and Rickie Lee Jones, yet still manages to sound distinctive..."), floating on gorgeous and intricate acoustic and electric guitars, a big double bass sound, lovely soprano and alto saxophone, splendid drumming on a minimal kit, and some lush Rhodes, Hammond and grand piano. All enveloped in delicate, textured, cinematic arrangements (featuring strings, vibraphone, oboe, trombones), lavishly produced by Bernd Rest, and mixed and mastered to the highest standard. For reviews and more information, go to Rosie's website [rosiebrown](#)(link on the left). The band are: Rosie Brown (vocals guitar) Bernd Rest (guitars) Simon C Russell (double bass) Marcus Cummins (soprano sax) Paul May (drums) Markus Marageter (keyboards) "Superior musical minds following their hearts... this is the real McCoy" Mojo "Much more than the latest cute girl with a guitar" **** Q
