Details: Steve Rose is a multi-instrumentalist (Piano, Guitar, Bass, Drums) who has been playing and recording steadily since the mid-80s. Having played in a variety of musical contexts (e.g., Jazz/Rock, Progressive/Rock), he has also dabbled frequently in the ambient genre. This collection of music is a representation of some of his first forays into the ambient world with pieces dating back to 1994. His wish to release these pieces publicly has been buoyed by his fellow musicians and friends. While being abstract in nature, many of the pieces have an underlying melancholy, yearning, and dreaminess which is the essence of their beauty.
