

Mp3 Thomas Gunn - Sleeping Giants

[DOWNLOAD HERE](#)

Timeless ballads and acoustic pop with smart lyrics and haunting melodies that stay in your head for days
12 MP3 Songs FOLK: Folk Blues, POP: 60's Pop Details: Thomas Gunn was born in London, England, and is rumored to have lived during the latter part of the 20th century and well into the earlier part of the 21st. It is further rumored that he is in fact still living in the early part of the 21st century, somewhere in Charlottesville, Virginia, with a wife and two children with tails. Sleeping Giants is the debut CD from Thomas Gunn. It is a wide-ranging collection of 12 original songs, all written over the past seven years and drawn from Thomas life experiences as well as personal conversations with the Ether.
