Zaney rock with contry blues flavors 8 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Ambient  
Details: Jesters Festival is the second CD. The Jesters Festival is a fictional gathering of the joker children to experience the joker lifestyle at different locations away from clowntown. Track 1 MORRIS is about a blanket person who I would run into now and then. The songs are long on this CD to extend the melodies and explore the songs different sides. The song JESTERS FESTIVAL was never finished by Porges Band so I finished it and its finished as far as I could do it alone. TOM
