

A Little Tour In France - Henry James

[DOWNLOAD HERE](#)

I am ashamed to begin with saying that Touraine is the garden of France; that remark has long ago lost its bloom. The town of Tours, however, has some thing sweet and bright, which suggests that it is surrounded by a land of fruits. It is a very agreeable little city; few towns of its size are more ripe, more complete, or, I should suppose, in better humor with themselves and less disposed to envy the responsibilities of bigger places. It is truly the capital of its smiling province; a region of easy abundance, of good living, of genial, comfortable, optimistic, rather indolent opinions. Balzac says in one of his tales that the real Tourangeau will not make an effort, or displace himself even, to go in search of a pleasure; and it is not difficult to understand the sources of this amiable cynicism. He must have a vague conviction that he can only lose by almost any change. Fortune has been kind to him: he lives in a temperate, reasonable, sociable climate, on the banks, of a river which, it is true, sometimes floods the country around it, but of which the ravages appear to be so easily repaired that its aggressions may perhaps be regarded (in a region where so many good things are certain) merely as an occasion for healthy suspense. Author: James, Henry Publisher: 1st World Library - Literary Society Illustration: N Language:
