Mindset Launch Pad Video Series with Resell Rights This step by step, 8 part video series takes you by the hand and shows you how to change your mindset so that you can improve the way you do online business. Youll learn strategies that you can start using today that will bring you so much closer to your end goal. Sound interesting? Then you will want to pay close attention. Here's a list of this 8 part video series in more detail Video #1: Start Changing Your Mindset In this specific video, you will learn what you need to do to get started on this journey towards figuring out what is stopping you and how this system will help you get around these roadblocks in your life. Youll also be given an overview of the video series as a whole, how this system works, and what tools you will need. Video #2: Mindset Roadblock #1 - When Right is Not Always Right In this video, you will meet our first Mindset roadblock. This roadblock is a huge enemy and is something that most business owners face starting out, and may even run into later on. This is often procrastination to launch in disguise and another desire that many people have to make their product the best. Youll learn a strategy that you can use that will help you to break free of this, and in fact...just doing this one thing will change your customer relationships forever. Video #3: Mindset Roadblock #2 - Others Like I said earlier, its easy to blame others for your actions. This specific mindset

roadblock can in fact deal with others possibly blocking you from taking action; however your reaction to it will be important, and I'll show you why and how. You'll learn a strategy that you can use that will help you break free of this specific roadblock and in fact...just doing this one thing will change your business relationships forever. Video #4: Mindset Roadblock #3 - Stop Feeling Overwhelmed In this video, you will be given strategies that you can use to avoid feeling overwhelmed. Being overwhelmed can cause you to lose focus. Instead of focusing on one thing at a time, you try to focus on multiple projects and therefore you become frustrated because you cannot get anything done. Its time to become realistic. You'll learn a strategy that you can use that will help you break free of this specific roadblock and in fact...just doing this one thing will help you feel like you are accomplishing more than ever. Video #5: Mindset Roadblock #4 - Quit Dreaming Dreaming causes you to constantly think of all the amazing and wonderful ideas that are out there. Its time to build your business the right way. Dream more and you will easily lose time, and by losing time, you will fall into specific traps that will block you from moving forward. In this specific video, you will learn about these traps, so that you can avoid them and move forward correctly. Video #6: Making It Fun and a Game Now that you understand the first four mindset roadblocks, its time we switch modes and discuss how you can activate your positive mindset and move forward. These strategies will help you speed things up by making things fun, and turning them into a game. You'll also learn which resources and tools you can use to help support yourself. Video #7: Become More Self Accountable Being self accountable allows you to push forward without the constant need for support from others. You need to understand how to become self motivated and self accountable if you want to survive, because while it is important to get support from others; this is a mindset you'll want to have. In this specific video, I will reveal to you a simple spreadsheet that will help you become more self-accountable. Video #8: What Are You Wasting Time On? When your mindset is changed, you'll need to organize yourself. So, mindset merges into time management, but while that is the biggest point of this video series, we will discuss this briefly to help you push forward and have a greater impact. Do you know how much time you are spending and what you are spending it on? Are what you spending your time on helping your business grow? Or is it working against your goals? This is something that you need to figure out and in this video, you will learn about a tool you should never work without that will help you solve this problem. So...with that said, grab this video series now and learn how you can break through the roadblocks by making simple changes in your mindset; so that you can launch your business and a product.
