Music that gets better with time. This music will be passed on from generation to generation. 12 MP3 Songs EASY LISTENING: Mature, JAZZ: Smooth Jazz Details: The guy next door gives you something to remember him by. Only My Music, a collection of instrumentals composed by Andre R. Rhodes will be in your music collection from this day forth. Infinite Funk, The Bonus, Look Into My Future, Steppin Out, just to name a few that one will play over and over again. This music is good for riding in the car, cleaning the house, B.B.Q's, or just sitting on the porch getting your thoughts together. Andre Rhodes considers himself to be the average guy. The guy that you may run into at the grocery store, or at your local theatre. He enjoys riding in his car enjoying California and the great nature of the beautiful United States. When you see him in person he will more than likely hand you a business card and try to make you smile. Why? According to Andre, "It can't rain everyday, but remember why it rains". "Listen to my music if you're ever feeling blue". "Tomorrow is a new day". "Enjoy the sunshine, it sets in the west at the close of everyday. As you await a new beginning, think about what you've learned in the past twenty four hours". "It may be important come dawn".
