Early Minstrel, Civil War, American Roots 15 MP3 Songs FOLK: Traditional Folk, KIDS/FAMILY: General Children's Music Details: During the Civil War, soldiers would sometimes pass the time between campaigns performing in minstrel bands. As reenactors, we created the Camptown Shakers to learn first hand how the soldiers entertained themselves in winter camp. Along the way we became familiar with some of the other diversions common to any Civil War camp. For our third recording we have selected some songs and tunes that reflect that theme: tobacco, drinking, gambling, and the pursuit of the fairer sex both chaste and otherwise.
