Over Again. Choir Boyz collective commitment to minister through singing praises unto the Lord is born out of redemption from the perils of life. Although, each of them were reared in strong Christian families, they were drawn away by various desires for worldly gain. However, the so-called good life of the streets of Baltimore claimed them as victims, like it does all who go that route. They suffered drug abuse, prison, and near death experiences before finding each other and reclaiming their relationship with the Lord. Their distinguished harmonies are soul stirring. Their ministry mission is to spread the Good News that by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast. Choir Boyz know that faith comes by hearing, and hearing by the word of God. It is their prayer as they continue to spread the word of God through their music ministry, that every listener who hears this project Sing Unto The Lord will receive the gift of faith that has transformed their lives and sealed their destiny in heaven for eternal life.
