Strong songwriting and vocals coupled with a great blend of acoustic and electric instrumentation give this album a feel which can be best described as Folk Alterna-Pop. Catchy, edgy tunes with hints of pop influence crawl out of the speakers and infect 9 MP3 Songs POP: Folkly Pop, ROCK: Modern Rock

Details: The culmination of several years of songwriting growth, "49 Floors" finally captures the true essence of what Craig Maierhofer has been sharing with live audiences for quite some time. His smooth, soulful voice permeates through a wonderfully produced set of introspective alt-folk-rock songs.

Runner-up in the Best of Boulder (Colorado) Reader's Choice Awards in 2002 to Big Head Todd and the Monsters, Maierhofer delivers on his promise of a truly fantastic listening album. The album is produced by Joe Bonadio (Martin Sexton, Susan Todeschi), and features a host of seasoned studio musicians from New York City and Colorado. All of the ingredients make for a superb album in a musical genre best described as "Folk Alterna-Pop." Try it, you'll be hooked!
