Afro Hip hop 15 MP3 Songs WORLD: African- West, URBAN/R&B: Urban Details: DANNY YOUNG: THE ONE Ajibola Muyiwa Danladi a.k.a Danny Young was born 19 years ago in the northern part of Nigeria (the most populous black nation in the world) and he is currently the youngest rapper/producer that Africa has ever produced. Danny Young turned a singer at age 7 and had his first major performance at age 10 while growing in Kaduna State, Nigeria. Danny Young did not stray into the music world as he was born and raised in a family where music runs in the blood. He hails from a hip-hop family of 6 consisting of Papa O Sid, MC Walex, Mama Tee, Keyman, Danny young and the youngest Bolaji. His first chart busting single SHALEWA enjoyed very heavy rotation in most Nigerian Radio and TV stations and his brand new single Welcome featuring Lord of Ajasa is fast gaining acceptance among Africans home and abroad. With Danny Youngs aptitude already generating accolades across all races, ages, and gender, a US based African Magazine US African Eye, in two separate editions, called this youngster the lyrical messiah that will redefine hip-hop in Africa and its Diaspora, asserting that he combines Jay-Zs poetic delivery with Ushers vocal supremacy. This multi talented instrumentalist, producer, studio engineer, composer, lyricist and singer is set to take over the entire industry as he has already become a subject of discussion in the entertainment arena. He had performed along side popular artistes like 2face, Ruggedman, Eedris Abdulkarim, Faze, Azadus, Marvelous Benji, D Banj, Dr Fresh, Sound sultan, Da Natives, Styl Plus and so fort. Some of the soul stirring songs to look out for in his upcoming classic album titled The One are: Shalewa, Egunje, African music, Danny young's party 1&2, Rap game, I like the Way, Romeo and Juliet, Nigeria, Welcome just to mention a few. There is no gainsaying that this crowned prince of Afro-Hip Hop is not only bringing the change we have all been craving for, but also set to revitalize Nigerias lost glory in the music industry. Danny young is currently signed to Big Deal

Entertainment Incorporated, a US based record label cum show promoters. Danny Young: The Crowned Price of Afro Hip Hop Before him there are many! After him there will be none Danny Young is the One!!!
