Born in Clearwater Florida 22 years ago, Devilish is the REAL DEAL. Hes a street cat who is smart enough to know that the street game is temporary. He is full of confidence and is above the pettiness of those that cant see the power within themselves 12 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style Details: ARTIST BIO In an industry full of Hip Hop stories that are both criminal minded and grand, making them enthralling and unbelievable, but also making them only as interesting as the teller. Thats why, despite having some minor legal setbacks in his teen years, this is one artist that wants to look forward and not backward. Armed with both lyrical mind and mouth, Devilish will rise straight to the top with 394 Music Entertainment on his back. Born in Clearwater Florida 22 years ago, Devilish is the REAL DEAL. Hes a street cat who is smart enough to know that the street game is temporary. He is full of confidence and is above the pettiness of those that cant see the power within themselves. The debut album Past Due shows his true life grittiness backed up by his raw talent to paint pictures of poetry with his words that will drive him down the road to riches and self actualization. Having hooked up with the CEO of 394 Music incidentally, it has been on ever since. Never before has the game been blessed by an individual that puts Hip-Hop before everything. In a world where artists use music as a way to get rich quick. Devilish is driven by the music alone, which will pay him back in the end. So, from all of us at 394 Music Entertainment, BUY THE ALBUM and experience what has been long Past Due to the Game
