Down south Music Ludacris-Chamillionaire-Lil flip-Slim Thug-Z-ro-Mr.Lucci-Mr.Pookie 23 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: Hip-hop is all about stories,more so than any other music since the blues. And its stories are both criminal minded and grand, making them enthralling and unbelievable, but also making them only as provocative and compelling as the teller. That's why, despite being blackballed by the industry, without a major-label recording contract, heads still gravitate to Texas throwdest rapper Dime Breed, like strippers to the dollar dollar bill yall. Dime Breed ,Born Ian McShane, has blown the Southern underground to pieces with such songs as "Pop It Like A Chicken" and "Down South". He's been doing shows with Slim Thug, Lil Flip, Paul Wall, Chamillionaire and many more for the past 5 years. Recently off tour with Snoop Dogg and Others (Technine,Luda, Webbie-alsoT.I. Omarion -Summer Jam 2005),but still Dime Breed, an incredibly intelligent and creative businessman, still holds a fire in his soul to become one of the most prolific artist of his time. Dime Breed is already buzzing the streets with his new single "My Block" that has caught the industry giants off gaurd,leaving them with no other solution but to sign his #1 Independent record label Time Lost Entertainment, to this biggest deal in Independent history. With units already flying off websites and cd stores in record numbers, I'm pretty sure Mr. Dime Breed a.k.a. Mr.V-12 won't have trouble making that a reality. This is more than just music this is a movement.DON"T BE LEFT OUT,BE A PART OF IT for more info: go to timelostentertainment.com
