Trip Hop-Jazz Hop-Symphonic Orchestral -Traditional French country 6 MP3 Songs ELECTRONIC: Trip Hop, JAZZ: Acid Jazz Details: This CD is a Tribute to Georges Brassens I have been inspired by his Music first before the lyrics which reveals the poetic genius he was.. Close to his Familiar Environnement in Sete (His Natal Birthplace) the sound of guitar you can hear in the CD is his own guitar brought to us by a relative of his family I used modern rythm section and let go my fantasy about chords and orchestration, record sound from Sete, this cute little Town,south of France , "l'ile singuliere", birds, waves all those inportant historical Picture belonging to the place. In the Les copains d aboard the song you will be able if you close your eyes to see the "Mole " (Sete's Pier) Electronic and real instruments Have been used , real objects also, as Pans and Cover Pots...Made in Sete.. go visit georgesbrassensand look at what amazing person he is.. Each song has a story by the structure and the ingredients -instruments and real sounds from the street are sused. Enjoy FQ
