

Mp3 Gareth Davies-jones - A Play Upon The Conscience

[DOWNLOAD HERE](#)

Contemporary Folk/Acoustic: Gareth's debut solo album - "He combines the gritty writing style of Martyn Joseph, the simple smoothness of Fernando Ortigas sound, and the commercial substance of David Gray. You'll find a lot more than just a talented music 12 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: The first time I heard Madrid played on Mike Rimmers Rimmerama radio programme when Gareth came to Cross Rhythms Villas to do TV and radio interviews I knew this Irish singer/songwriter with the implausibly Welsh name was something special. Madrid is quite simply one of the best songs borne out of a tragic world event youll ever hear a haunting, beautifully sparse contemplation on the recent terrorist bombing which then moves seamlessly to the heart of stone sometimes evident in all of us. Wisely, that classic is recorded with just Gareths beautifully picked acoustic. Theres much else on A Play Upon The Conscience to demonstrate the depth of Gareths songwriting craft a concise look at a culture which both bombards us with images of perfect looking people (Radical); the 21st century lie that truth is what we make it (Out Of Hand), and the closer, Gareths lovely new melody to the classic hymn My Song Is Love Unknown. With excellent production and sleeve design this is as impressive an album debut youre likely to find this or any year. Rating: 9/10 Tony Cummings, Editor Cross Rhythms Magazine Tags: folk music
