This debut proves to the world that there are two great bassists in the Stinnett family. - Steve Bailey What Grant Stinnett has accomplished in the few short years hes been playing has been truly amazing! G Money is a testament to all the long hours of hard work Grant has put in. Congratulations on an excellent recording. Rob Gourlay "Grant draws many colors out of the bass to make pleasing and engaging music. I think he has a bright future!" - Michael Manring "Years ago I took bass lessons from Jim Stinnett, and when we reconnected he brought his son Grant up for a visit to Vermont. It was pretty remarkable to see what a teenager could do on the bass, and I asked Grant to teach me some stuff. This CD is a good way to check out some of his amazing tapping and slapping." - Mike Gordon Thanks so much for your CD, G Money. You have discovered many beautiful things about the bass and you're expressing them in your music. Bravo! I love the originality and texture of the writing and playing. I've been enjoying your music. You've got a bright future. All the best! - Bruce Gertz
