The sound of Rickenbackers under street lights, high above your small town. An LP that glows, harmonies that melt. The saddest, sweetest slice of guitar magic youve heard since Joe Pernice married Norman Blake. 12 MP3 Songs POP: 70's Pop, ROCK: 70's Rock Details: In Scotland, underwater, if you dream of pop music, The Beatles, and Air, you get Heavy Little Elephants. Or if the aahs from Im Not In Love got lost in a glen. Or if you were actually in love with someone, and they didnt know about it, or had forgotten, then you might get Deep Sea Diving. So when you get home, and a bit warmer, and youve just remembered Beach Boys and Smiley Smiles and summer, youll know what to do. Reach for the Elephants. In the summer of 2005 two of Scotlands most inscrutable songwriters disappeared from Tayside streets. A month later, they returned to their bands, friends and families clutching a mysterious blue-green vinyl. Now, finally, you can hear what took place over those four long, hazy weeks. Heavy Little Elephants are based on a dream
