Rock, Punk Meets Motown, Folk, Blues and Jazz topped with feel-good pop 10 MP3 Songs POP: British Pop, POP: Bubblegum Pop Details: "Lost Weekends" is singer Joe Cahill's third album since 1999. He's moved in a different, more Rock-oriented direction from his previous classical efforts and now adds songwriting to his credentials. For this musical adventure he teamed up with Spike Studio's Matt Chiaravalle, Eric Slovin and Rich Smalley. The result is an album that's fun to listen to AND has deep, profound lyrics. Cahill has a melodic, powerful voice. He sings the blues with a Jazzy/theatrical feel; taking on the character of each song. Lose yourself in the groove!!
