Tiki Lounge instrumental music filled with exotic and captivating sounds from around the world; Latin, Polynesian, Hawaiian, Reggae, Jazz and Rock. 10 MP3 Songs WORLD: Island, EASY LISTENING: Lounge Details: This is a genuine treasure sure to stay with you through the summer nights. An exotic musical journey for the listener with refined taste. Let "Tiki Moon" take you away to a world of mysterious and sensuous rhythms combined with a powerful ambiance of cinema and the tropics by night. Ken Sasaki, a long time composer/bassist for independent films and artists in the island of Japan, has found a haven where Jazz, Reggae, Latin, Polynesian and Rock coexist, brought together by analog and futuristic means. This is one of those rare albums you will keep going back to time after time. It pleases lovers of all genres once they've reclined their seats to relax. Ideal for moods at dinner parties or kick back sessions after night falls. Also a fulfilling alternative for those who seek exotic travel but choose to stay home in the comfort of their cocoon. Ken Sasaki on his album: "I wrote the music as if it were a soundtrack for an imaginary film, played by an imaginary band." Give it a listen, treat yourself to a secret journey far from where you find yourself now. By Eva Hayata HMV Japan Burn Pictures Corp.
