

## Mp3 Kid Wezel - 10 Weezy Pieces

[DOWNLOAD HERE](#)

Bluesy jazz along with a little bit of Country, and gentle folk for fans of Janis Joplin, Joni Mitchell and Gordon Lightfoot. 10 MP3 Songs FOLK: Folk Blues, BLUES: Jazzy Blues Details: Summary Kid Wezel is the stage name used by Louise Peacock. A Canadian singer/songwriter based in Toronto, Ontario, she writes a wide variety of styles which include Blues, Jazz, Pop, Folk, and Country. She was born in England, brought up in England, Belgium, South Africa and Portugal. She later returned to England, where she stayed for 2 years, then became a landed immigrant to Canada. She suffers from Manic Depressive disease, which does not slow her down one bit - she usually is most creative during her depressive swings. Industry Related Experience Has run a successful small music promotions, publicity and web design business since 1996. Has an excellent industry network in place, which provides her with the knowledge and ability to market and promote her own music. Anecdotal Kid Wezel has always been a lover of all types of music. She was brought up in Portugal with their folk music which is the Fado. Notes about 10 Weezy Pieces: Tracks 1,2,3,4 and 6 feature Nonie Crete on vocals. This gal has a stunning voice and does a great job on these tracks. All the other tracks feature Kid herself on vocals. The wonderful Sax player is Patricia Wheeler and the Piano player is Ron Davis. Stand-up bass player Alfred Gertler is featured on tracks 5 through 9. Track 10 is a remix of Track 9 by friend and colleague, SawJaw.
