

Mp3 Liquidesert - Electronic: Techno

[DOWNLOAD HERE](#)

Techno to Cinematic, big beats, cool synths, just the beginning. 11 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Dance Details: You can now download this album for FREE at my official site - liquidesert:: try it out and if you like it you can come back and purchase it on cd!!! So far, it seems that people like the song "freedom" the most, so be sure to check that one out. Liquidesert is now working on his second album which is coming along great. We're not going to put a date on it's release, but if people enjoy this album, we think people will really like the second album. Thanks for checking out Liquidesert, have a great day!!!!
