The popular WB progr 10 MP3 Songs POP: California Pop, ROCK: Emo Details: The first album by alternative pop group Marmalade Skies, featuring the hit singles "Carla Daphne" and "Sal the FBI Agent." Their sound is eclectic and earthy, and influences ranging from classical to jazz to progressive rock combined to form a unique style. With her haunting melodies and moving lyrics, Michele Rene has brought new definition to the term "alternative pop" with her band MARMALADE SKIES. The group began as a collaborative venture between the ingenue and well-known musician Robert Bancalari. Upon discovering the raw talent of the young singer, MARMALADE SKIES was formed and the vocal charms of Michele Rene were being heard at such notable places as The Roxy, Coconut Teaszer, and The Strand. By 1997, with an extensive list of strong originals, MARMALADE SKIES recorded its first full-fledged album, CECIL'S EPITAPH, produced by Darby Orr. Since its release, songs such as "Carla Daphne" and "Sal the FBI Agent" have received a great response from airplay on college radio station KUCI 89.8 FM in Irvine, California.
