From Heavy D to Eightball, rap has always had someone to represent the Big Ballers and the many women that love them (believe me, there are many). Since the passing of Notorious B.I.G. and Big Pun, there is a definite void left to be filled in the Hip Hop community. A ladies-man in his own right, Mista Tension Reliever has exactly what it takes to restore the Big Daddy perspective missing from todays music. Laced with Old School game, a love for Memphis Blues, and the confidence of a Cash Money Millionaire; Tension has a flow like none other. Raised deep in the West Tension (West Tennessee) and an only child, he always had to fend for him-self. And from what Ive seen, when faced with adversity, Tension has never given up without a fight. At the same time, he remained cautious in watching where he stepped and also watching the steps of others. Tension has been striving to perfect his love for music since early elementary school and has only improved. Tensions lyrical inclination takes aim with a play on words that could only be found and felt in the Dirty Streets of the South but yet is universally understood. Genuine (which contains No Samples) demonstrates his lyrical talents to some extent but doesnt completely display his abilities or production capabilities. Tension finds himself fortunate to beat the odds of his small hometown streets in relocating to Memphis and not becoming apart of Jackson, TNs rich legacy. A legacy filled with many stories of fallen soldiers and enough life sentences for all. Many acquaintances were not so fortunate. Tension hails from Madison County (Mad Co). Tennessees fifth largest city of Jackson; which has securely held its place since at least 1995 as having Americas 5th largest crime rate and an overall third in murders. Dont

believe me? Go check the books. Even with the many obstacles in his path that come along with growing up black in the South, This guy (Tension) was born for greatness and will do great things in whatever he chooses to pursuit. Ive seen it happen before. I have been there from day first. Future Def Poet My Best Friend. I am Tension.
