Details: Ras Shaggai's debut solo release, *I Awake*, is a bold and spiritual alarm that awakens the sleeping consciousness within us all. With songs like, the title track, *Work Together*, and *Positive Way*, Ras Shaggai displays his talent for crafting infectious lyrics and melodies that evoke the listener to strive for a way of life that unifies and uplifts all. Ras Shaggai is proudly carrying the torch lit by Bob Marley himself, as evidenced by the lyrics of *Reggae Risin'*, "Reggae is hot like the rising sun, whose story has just begun, from the ghettos of the Caribbean, unto the ears of everyone"! As Bob himself said, "Reggae will only get bigger and bigger". Ras Shaggai is here on the earth at this time as a living fulfillment of Bob's prophecy.
