

Mp3 Shannon Gallant - The Chronicles Of Not

[DOWNLOAD HERE](#)

Wonderful voice...amazing music....original , fresh and otherworldly...a true artist not to be missed. 9 MP3 Songs FOLK: like Joni, ELECTRONIC: Experimental Details: Shannon leyn Gallant was born in California to an Irish mother and an Algonquin native american indian father.She grew up with mysterious sounds and rituals throughout her childhood until her parents divorced.She carried these magical memories with her even after her father left and took them on the road when she left home at age 17. She's lived in Tokyo,Athens,Corfu(right next to Albania). She's performed everywhere with different bands and different sounds from a Brothel jazz sextet and trip hop rock band in Los Angeles to a folk/gypsy ambient sound in Athens and Corfu. She's taught herself to play and write on piano and is just know sinking her teeth into pro tools She is know settled in England as of Jan.29th 2006(for the moment).
