In January of this year Spud has just dropped his sixth album "Hood 2 Da Suburbs" that's getting great reviews throughout the city of Cleveland and the underground scene. Now Spud is back with his seventh album "Platinum In Da Hood" that will surely get the clubs crunk and the streets talking, Spud is taking over the underground rap scene by storm, Platinum in da Hood meaning is about the having success in the streets, and getting rich without the help of mainstream of selling Cd's in the hood.and he showing no signs of slowing down with his own family The Klocker Boy\$,with hot club's tracks like"OFF DA HEAZY"this track has spitting fire lyrics from his top crew members,ENUTT and the homie "D"plus HOT B'Z "AND "DONKEY DROP" Spud is jumping every spot, every Night clubbing Up Bars,in his city of Cleveland and SPUD leads off with his title track "REALLY GOOD" that has spitting fire lyrics that is getting a lot of Dj's spins over the airwaves he's also coming with his new gangsta album in early April called "Illegal Muzik ". So be looking out for the one of the most gifted Mc's poetry writer, of our times! He has a up tempo song called "IT'S ALRIGHT" that goes right after those fake players,and them fake ballers who like to brag about what they got,So Spud lays very tight verse's for them fakers,along with the track "I GOT"that displays the dis-loyalty of certain crew members so Spud

made that joint for them, This album is for the clubs and for them streets, where he's feels comfortable at ,Because SPUD was already sign by the streets and the hood a long time ago. So watch Spud shine like platinum n gold hit the steets while getting bold with his thuggish ruggish lyrics that was ever told, spud is claiming his spot, his throne, spud is the Prince of his city in cleveland, and the Prince of the north, and he's making all the ladies "Work it" in the Clubs to his LP, and the gangsta chicks to get freaky with it, and letting them do that "Donkey Drop" to the title song of Enutt and Spud while giving the ladies something to get crunk too, and Spud is also showing the playa's how to Rolled and floss them chrome rims! during the spring time and through the summertime to that hype up beat track of his "Stankin Twankies" SPUD continued to bring you the hottest tracks ever month, and you can also write a reveiw about the Cd at the bottom of the page if you want too cause SPUD loves to hear what you like about his music, while SPUD continue to show you, and his competition that he's "Unfadable" like his No.2 track. so what!
