

Mp3 The Iry - Beladona

[DOWNLOAD HERE](#)

The Iry mixes a piano led sound with upbeat melodies and catchy hooks. The lightweight tones and clever lyrics give listeners a unique and refreshing sound. 15 MP3 Songs POP: Piano, ROCK: Roots Rock Details: The Iry, a five piece act based out of Columbus Ohio features a fresh blend of piano, organ, guitars, both electric and acoustic, backed with drums, djembes, congas, and multiple harmonies creating upbeat melodies and catchy hooks. The unique sound is a product of The Iry's commitment to originality that took years to surface. The band was founded in 2000, and since then has gained a strong following through extensive tours in the Midwest. Their live shows have been described as piano rock with tight vocal harmonies with an electrifying guitar keys sound, thus presenting the live audience with a different experience at every show. With a distinctive vocal style and the support of strong lyrical content, the audience enjoys a beautiful blend of vocals complemented by a sound that is uniquely refreshing and can only be described as The Iry. Beladona features a 15 track trip through songwriter Stefan Schwartz's inquisitive melodies and introspective lyrics that have been reviewed as "his best, strangest and most intimate times". As a whole, Beladona showcases the band's creativity, talent and appeal through instrumental accompaniments and epic vibes that solidify the presence of The Iry.
