"Tim sings like an angel" - Jason Mraz 6 MP3 Songs POP: Today's Top 40, ROCK: Acoustic Details: With rock infused ballads, Tim Corley is a rare Gem among today's music scene: particularly because as an American, his music has a certain quality often only heard from British/UK artists. One hears the pop-rock sensibility similarly found in notable bands such as Coldplay and Keane. It's a wonder he spent most of his life in San Diego and had not one surfer song to his name. Others like Jack Johnson and Tristan Prettyman have made the Western Locale famous for that sound. Tim offers a unique freshness with songs like "All I have" and "Turnaround" off the album "Like Stars". It's urban, modern, quintessential mood music; like feng shui for your ears. Everything is in perfect balance. Jason Mraz said Tim has the 'voice of an angel' and it's clear to see why. On this album, ambient vocal arrangement and his pure vocal tone soars over sensitive lyrics about love/loss. Tim calls it "Melodic Depression", but there is something more. "Like Stars" is the perfect soundtrack to a rainy day walk through the city streets or maybe better yet, a lonesome long trip across the country by someone looking to find themselves.
