Electronic/Indian 15 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Drum 'n Bass/Jungle Details: Tony Talwar and Sunny Singh known as T.S. Soundz, are dj's, producers and, remixers from the South Asian music scene specializing in a cross-cultural blend of music from the east and west. When they started remixing, their goal was to make Indian music accessible to a younger generation of South-Asians. They remixed traditional Punjabi folk music and popular Hindi film songs with catchy house rhythms. Their work sparked a whole new generation of Indian-Americans to explore their cultural roots through the medium of music. Since the inception of their group, they have released over 10 albums: Hindi Remix 1, 2, 3, Bhangra Jockey, Return of the Bhangra Jockey, Chicago Bass, Desi Dance Party, Kick Back 1, 2 and now Kick Back 3. They have traveled world wide to perform in front of mass audiences. Their success and popularity in the Indian-American market have given them the impetus to explore the world music arena. They have recently finished an album called Typhoon Asha, in which they use electronic dance music and mix it with classical instruments such as sitar, dhol, and tabla. Vocals from a variety of musical styles such as Qawwali, Bhangra, and Raag emerge from this electronic euphoria that will appeal to both American and international audiences who are looking for a new listening experience.
