

Sculpting A Demon - Lisa Fox

Lila Callahan lives a subdued life, devoting all her time and energy to her sculpting. When her best friend coerces her into performing a love spell, the last thing she expects is to wake up the next day with an outrageously sexy demon in her bed. Arien is a fallen angel with a penchant for mischievousness and a talent for all the most decadent delights. He promptly turns Lila's quiet, controlled world upside down and sparks fly between them, both inside her bedroom and out. Arien shows her sides of herself she never knew existed, and Lila finds the love and passion she has always secretly longed for. But when Arien learns the true nature of her spell, he knows there is trouble ahead. The denizens of hell are only supposed to answer calls for greedy, lustful, malicious desires-and her little love spell was none of those things. There's a way for Lila to have him for her own, but only if she's willing to take a risk.
