From the moment Dr. Victoria Sommer laid eyes on sexy Navajo medicine man Ben Wauneka, her dreams filled with images of Ben protecting her, holding her making love to her. But Tory had a lot to learn about Ben's world, and with an eerie enemy stalking her, she had to learn fast. Evil shape-shifters Ben had sworn to destroy had targeted Tory. And while she had captivated him, he couldn't forget the vow of celibacy he'd made to protect his people, nor the secret he had to hide as long as he could. With their beliefs clashing and desire rising to fever pitch, Ben had to choose between duty and the woman he was forbidden to love.
