

Stories For Boys: A Memoir - Gregory Martin

[DOWNLOAD HERE](#)

In this memoir of fathers and sons, Gregory Martin struggles to reconcile the father he thought he knew with a man who has just survived a suicide attempt; a man who had been having anonymous affairs with men throughout his thirty-nine years of marriage; and who now must begin his life as a gay man. At a tipping point in our national conversation about gender and sexuality, rights and acceptance, Stories for Boys is about a father and a son finding a way to build a new relationship with one another after years of suppression and denial are given air and light. Martins memoir is quirky and compelling with its amateur photos and grab-bag social science and literary analyses. Gregory Martin explores the impact his fathers lifelong secrets have upon his life now as a husband and father of two young boys with humor and bracing candor. Stories for Boys is resonant with conflicting emotions and the complexities of family sympathy, and asks the questions: How well do we know the people that we think we know the best? And how much do we have to know in order to keep loving them?
