

Zachary Kane's Strange Tales - Zachary Kane

[DOWNLOAD HERE](#)

The author of *The Other Side of Infinity* offers a collection of short stories and a novella that entices and dares the reader to suspend disbelief. Typical Kane, a vein of cynicism immersed in a strange brew of humor and sobriety snakes through these pages. Take a bumpy ride through a turbulent sea of extraterrestrials, ghosts, bizarre science, time travel, alternative realities, a teetering human psyche, a perilous manifest destiny.... Enjoy! Nineteen short stories and one novella, this collection of work by veteran author Zachary Kane will not disappoint! In fact I haven't read anything as good in a while. Each story contained a hidden twist; in most cases the author placed a mirror up to the face of humanity and allowed a glimpse into its nature. While I do have my favorites within this collection, I can not slight a single story. Each one has been masterly composed and executed. The novella, *Shores of Time*, is a special treat and is a grand finish for the piece. I hope to see more work from this author! ~ EDAuthor: KANE, ZACHARY Publisher: Double Dragon Publishing Illustration: N Language: ENG Title: ZACHARY KANE'S STRANGE TALES Pages: 00000 (Encrypted PDF) On Sale: 2004-10-29 SKU-13/ISBN: 9781554041879 Category: Fiction : Science Fiction - General
